MORELLA WOODS

This exciting new development is on the edge of the vibrant market village of Lenham in Kent, the 'Garden of England,' famous for its charming countryside and fascinating history.

Morella Woods is off Old Ham Lane, on the outskirts of the village and within easy reach of Maidstone, Junction 8 of the M20 and the south coast at Folkestone.

The village's chalk landmark the Lenham Cross is carved into the nearby North Downs hillside, also the route of The Pilgrims' Way and North Downs Way.

It's less than a mile from Morella Woods to Lenham's quaint Village Square where you'll find a farm shop, bakery, convenience store, pub and an award-winning monthly Farmer's Market. This bustling community has a wealth of sports and social clubs as well as a library, medical practice and schools. St Mary's Church is Grade I listed, as is the stunning Tithe Barn, a popular local events venue and pretty Glebe Pond, is ideal for nature-lovers.

If it's shopping, leisure centres, theatre, cinema and retail parks you're after, both Maidstone and Ashford offer a great selection. Maidstone is less than 10 miles via the A20, Ashford is 11 miles and it's 26 to Folkestone along the M20. London is less than 50 miles and Lenham Railway Station runs services to central London taking just less than 90 minutes.

Our range of 1, 2, 3, 4 and 5 bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors and spacious master bedrooms with en suites.

So, if you're looking for an impressive new home in an historic Kent village within easy reach of the capital, your search ends here!

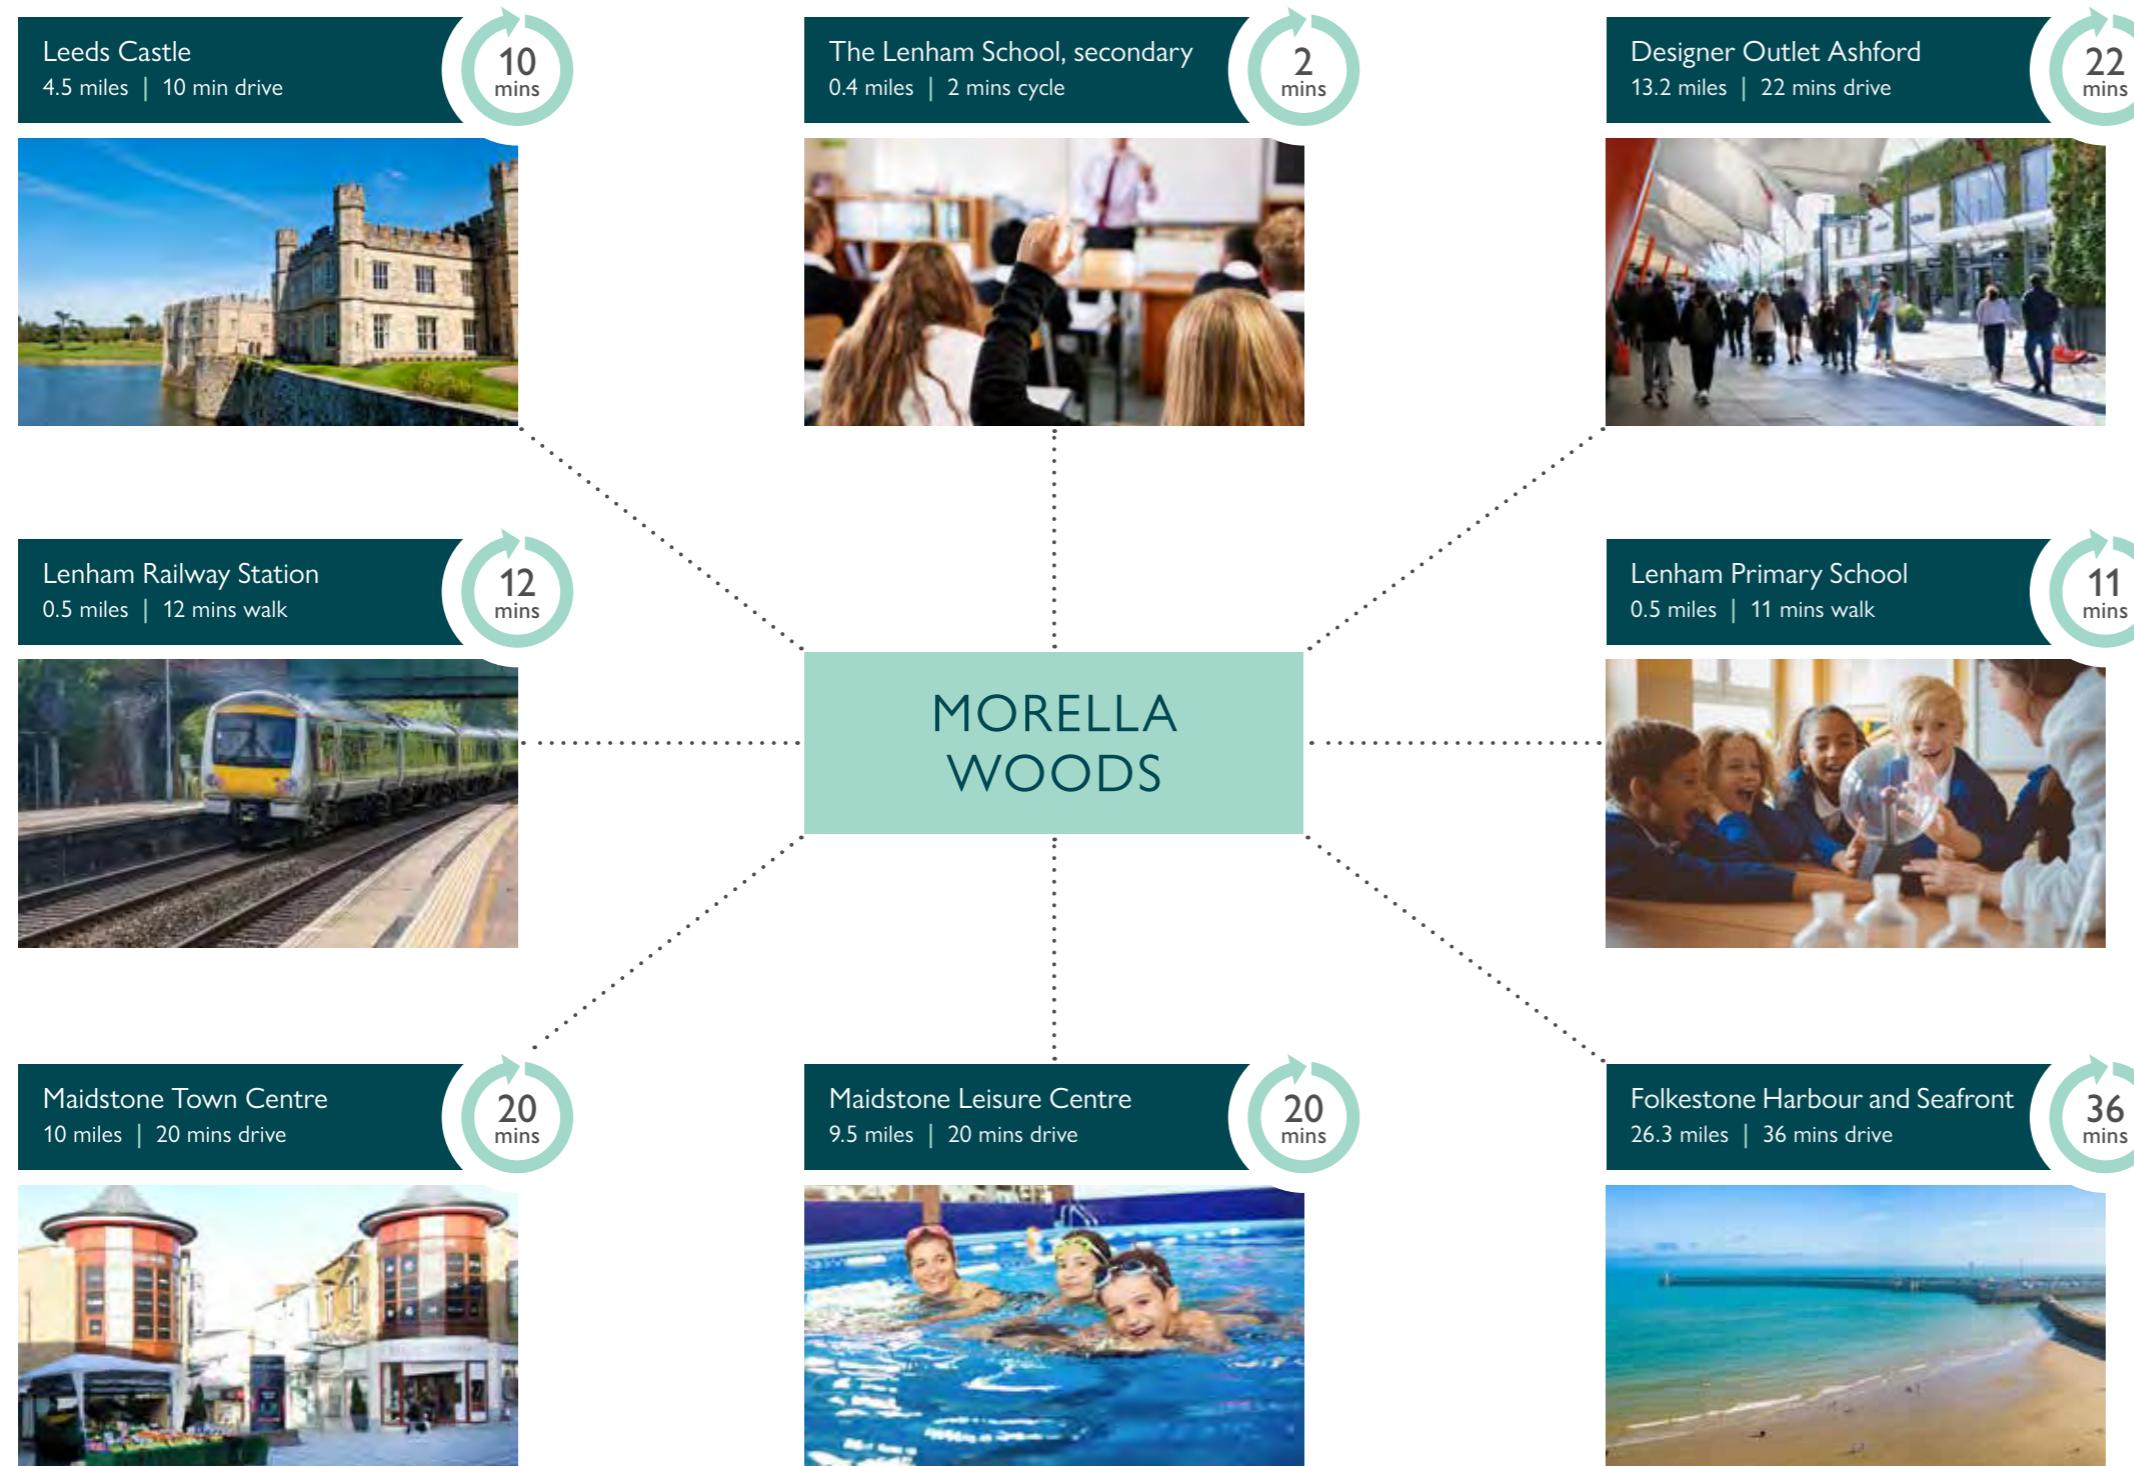

THE PERFECT POSITION

EDUCATION FOR EVERYONE

The village provides nursery, primary and secondary school facilities for children of local families. Lenham Nursery School, a non-profit charity, takes youngsters aged from 2 to 5, while Lenham Primary School caters for 5 to 11-year-olds.

For senior students The Lenham School, provides secondary education and has a sixth form, catering for pupils aged from 11 to 18.

Both Ashford and Maidstone have further and higher education colleges with a range of courses and qualifications for teenagers and adults.

We are proud to have invested over £1.5 million in local schemes to support the community surrounding your new home in Lenham.

“ Countryside Homes has contributed **£385,500** towards primary schools ”

PURCHASE SCHEMES

Wherever you are in the home-buying market - a first-time buyer, looking to step up the property ladder or a downsizer - we have a variety of great purchase assistance schemes!

FIRST HOME

The First Home scheme is a government initiative designed to provide local homes for first-time buyers, by offering new builds with a discount of at least 30% compared to market prices.

HOME EXCHANGE

Are you an existing home owner? Our Home Exchange scheme is the simple way to make sure you don't lose out on your brand new Countryside Home - and saves you time and money along the way. We'll buy your property at market value, therefore there are no last minute 'drop-outs'.

ARMED FORCES

Helping members of the Armed Forces to own a home with assistance from Countryside Homes, the government and the Ministry of Defence.

DEPOSIT UNLOCK

An exclusive scheme for brand new homes, First-time buyers could benefit from the Government-backed equity loan where you only need a 5% deposit to buy a brand new home with a 75% mortgage. The remaining 20% is a government loan, which is interest free for five years.

SMOOTH MOVE

Are you an existing home owner? Our Smooth Move service is designed to help you sell your old property quickly so that you can make the move into a brand new Countryside Home. We'll deal with the estate agents on your behalf, and even pay the estate agents' fees when your house is sold!

A HOME DESIGNED WITH YOU IN MIND

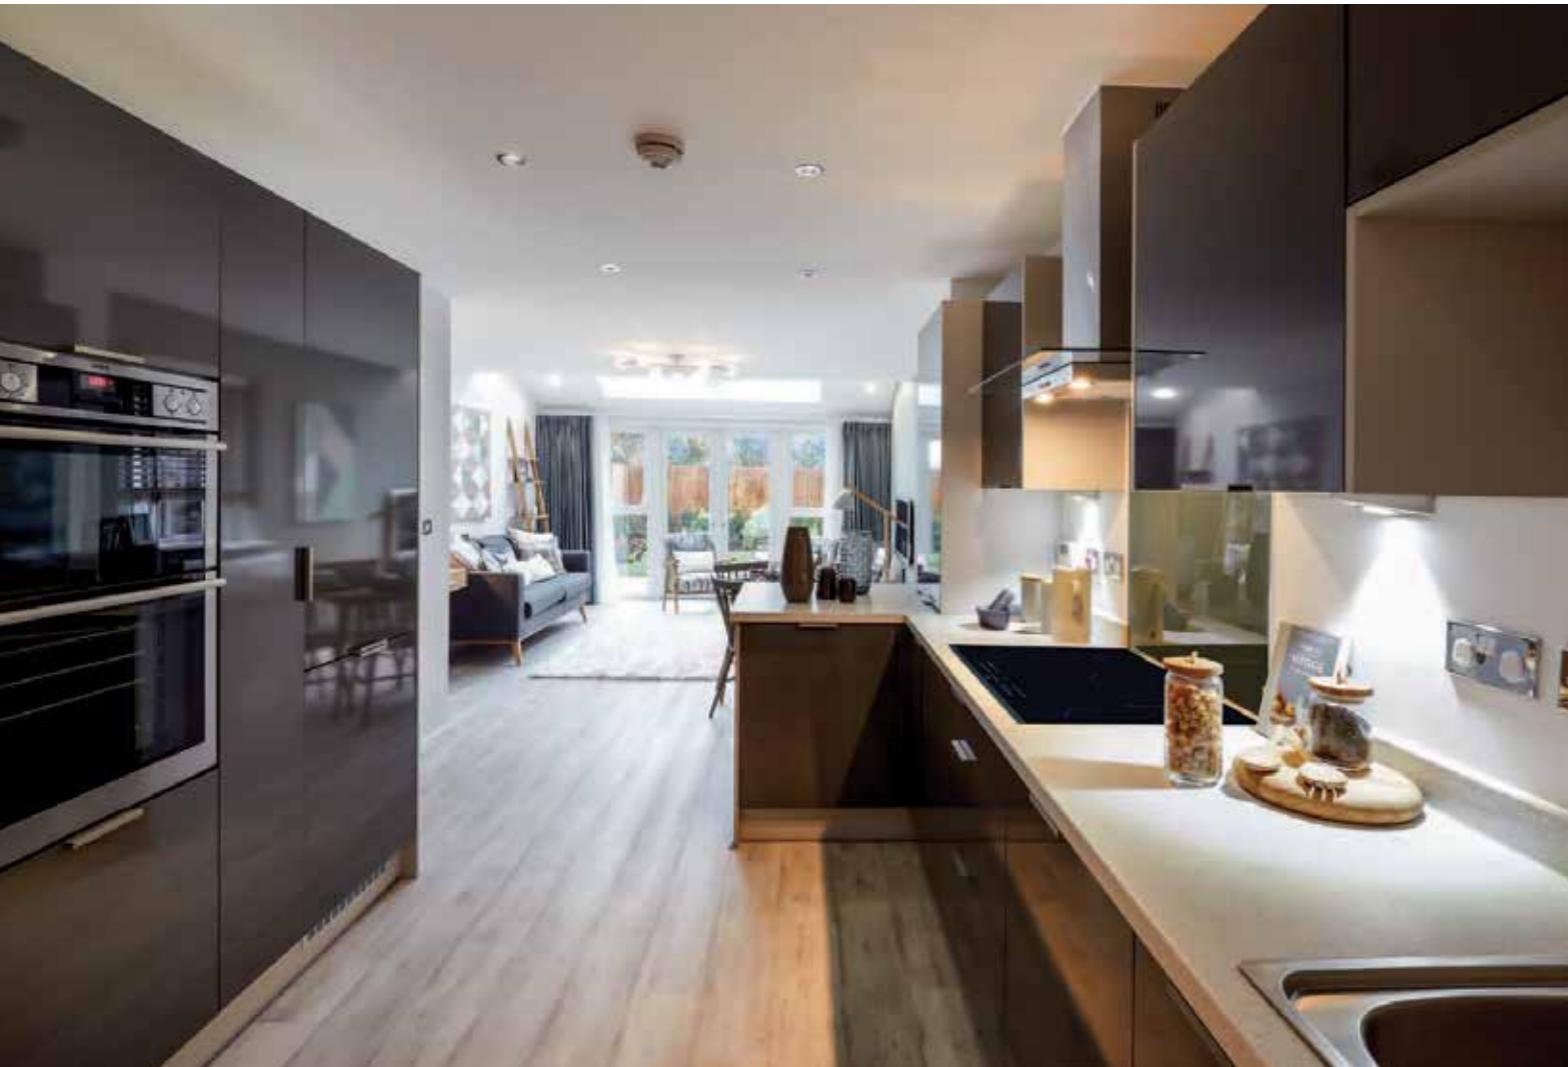

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

FIRM FOUNDATIONS MEANS PEACE OF MIND FOR YOU

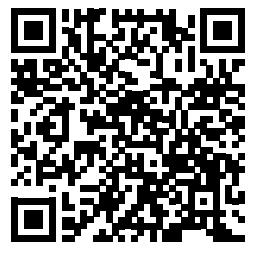

When buying a new home, you want to be sure you can trust your builder. Choosing a Countryside Home gives you the peace of mind that comes from choosing a company that has been building some of the best homes in the UK for more than a hundred years.

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Countryside Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

SO MUCH CHOICE...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Countryside Homes Personalise brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your main bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown is correct at the time of production. Countryside Homes is continually reviewing and updating the specification on all house / apartment types and therefore reserves the right to change specification details. Photographs depict typical Countryside Homes interiors and may include optional upgrades. For full details regarding the current specification and finishes, please speak to our sales consultant
