

# Hartshead View, Fitton Hill

## Development update

Issue 6 | [Autumn 2025]

## Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

### Overview

The development comprises 365 new homes, across two sites. In addition, the development will provide:

- Mixed tenure including 159 Open Market plots, 97 Private for Rent and 109 Affordable homes
- All plots have Photovoltaic panels to achieve compliance with the updated Building Regulations and EV charging facilities.

### Specific item – Scheduled Works on Deanshut Road

- Earlier this year, we received technical approval to carry out drainage diversion works on Deanshut Road adjacent to Medlock Valley Primary School. These works were carried out and completed during the summer school holiday to prevent any disruption. A diversion route was implemented through the new development to prevent any disruption to the local community.
- The road and drainage works at the junction of Tuns Road and Deanshut Road have also been completed, and the junction has reopened.

## Timeline

- First handover on the Open Market plots took place in July 2024
- First plot handed over to Great Places was in November 2024
- First Plot handed over to Sigma was in March 2025 and the last plots were all handed over in August 2025.
- Our sales centre located just off Hill Farm Close also opened in September 2024 and is staffed Thursday – Monday 11am to 6pm.
- We have also opened an additional show home at Hartshead View Phase A which launched in August and open on weekends.

## Site activity

- Remediation and drainage works on site have been completed.
- All roads within the site are now finished.
- Street lighting installation is currently ongoing.
- Service connections to plots are in progress, with the majority already connected.
- Efforts are being made to minimise disruption where service connections may cause inconvenience.
- Residents will be notified of any changes via letter drops.

The site plan which can be found on this page, has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Finishes and materials may vary from those shown on the plan. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.

## Social Values

### **Fitton Hill Funday – A Celebration of Community Spirit**

On 16th August 2025, Vistry proudly participated in the Fitton Hill Funday, a vibrant local event aimed at bringing the community together and raising awareness and funds for improvements to the local park.

As a gesture of appreciation for the community, Vistry sponsored the BBQ, helping to fuel the fun and festivities throughout the day. Representing Vistry on the day were Chris Ferris and John Ferris, Site Managers for Phase A, who also happen to be locals. Their presence highlighted Vistry's commitment to supporting and engaging with the communities we help build.

It was a fantastic day filled with laughter, connection, and a shared vision for a better local environment.

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather, so are subject to change.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
