BEAUMONT GREEN

We're proud to showcase our development of exclusive 2, 3 and 4 bedroom detached and semi-detached homes here at Beaumont Green. These wonderful homes are exclusively designed with modern living in mind and are perfect for family life.

Situated between the Victorian seaside towns of Lytham and Preston, Beaumont Green is superbly located for both work and leisure opportunities.

Beaumont Green is superbly located with nearby green space and footpaths perfect for family walks and bike rides.

The local areas of Warton and Freckleton are home to a number of shops and eateries which are within easy walking distance as well as good quality primary and secondary schools. Great transport links by both road and rail can be found nearby too.

A 10-minute drive will find you in picturesque Lytham with beautiful sea views, wonderful bistros and charming cafes. With sandy coastal walks, multiple golf courses and a range of yearly festivals there really is something for everyone.

A short drive inland you will find the beautiful village of Wrea Green. Local attractions include the traditional village green where cricket is played during the summer months. Firm favourites The Villa restaurant and Ribby Hall Village are both close by and well worth a visit.

Preston, has, over time, evolved into a lively city with a buzz all of its own. Yet despite the hustle and bustle, Preston is also blessed with plenty of green, open spaces, from the characterful Winckley Square to the stunning Avenham Park, where you can while away the hours strolling along the River Ribble.

Just down the road, Preston's Dock and Marina offers another great way to spend your spare time with eateries, pubs and a cinema to keep you entertained.

If shopping is your thing, you'll be pleased to know that Preston boasts not one, but two shopping centres, as well as numerous high-street stores. The city is also home to a number of independent shops, boutiques and outdoor markets.

On the food and drink front, the city offers plenty of opportunity to sample traditional and international flavours at restaurants, cafes and tea shops.

All this, along with museums, arts, music venues, and even a steam railway, means that there really is something for everyone in this thriving, well-connected city.

A HOME DESIGNED WITH YOU IN MIND

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

FIRM FOUNDATIONS MEANS PEACE OF MIND FOR YOU

When buying a new home, you want to be sure you can trust your builder. Choosing a Countryside Home gives you the peace of mind that comes from choosing a company that has been building some of the best homes in the UK for more than a hundred years.

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Countryside Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

SO MUCH CHOICE...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Countryside Homes Personalise brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your main bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown is correct at the time of production. Countryside Homes is continually reviewing and updating the specification on all house / apartment types and therefore reserves the right to change specification details. Photographs depict typical Countryside Homes interiors and may include optional upgrades. For full details regarding the current specification and finishes, please speak to our sales consultant
