Keeping
you
updated

As work at The Colleys continues, we wanted to keep you informed and provide you with an update on some aspects of the development.

Sales Arena

The Sales Arena, including one sales experience centre and the Show Home, is currently are now open.

Key Dates

- Roads and footways completion is unfortunately delayed by ongoing remedial work with the relocation of the streetlights and drainage amendments which we are working to complete as soon as possible.
- All areas of public open space (POS) areas and play areas will be completed mid-June 2026.

Overview

When completed this development will include:

- 300 new build properties with a mixed tenure of Open Market and Affordable.
- Open Spaces, public footpaths and play areas (LAP and LEAP).
- Landscaped attenuation ponds.

Schools

The area has an excellent selection of schools, ranging from Kings Grammar School where Isaac Newton was educated to outstanding rated local comprehensives. The primary offering is also well represented with a range of schools all reaching good or outstanding with OFSTED.

For further education, Lincoln University is a short drive or bus ride away. The University also has a campus at Grantham College where it delivers a wide range of courses.

We would also like to thank you for your patience and will be doing everything we can to minimise disruption while the remaining building works continue.

Information for residents

Building homes, creating communities

At Countryside we build award-winning new homes at developments across the UK. We take great pride in the wide range of house styles on offer, as well as the many ways that customers can enjoy living at each location.

At The Colleys, we are delivering a total of 300 mixed tenure homes, a mix of Open Market and Affordable Homes to meet a range of housing needs within the community.

Your safety is our top priority.

As you move through any part of the development, please remain aware of areas where construction is ongoing and ensure you follow all safety signage displayed on site. If you need to cross the designated 'build line', you must be accompanied by a member of staff and wear the appropriate personal protective equipment, including a hard hat, safety boots, and a high-visibility jacket, in accordance with health and safety regulations.

Services

All services within our development will soon be fully connected to the mains and activated for residents. Gas and electricity will be supplied by British Gas, while water services will be provided by Anglian Water. The broadband infrastructure is supported by both Openreach and Virgin. However, other network providers may also be available. For more details, please visit the Openreach website.

Local Area

In the heart of Lincolnshire's countryside, The Colleys is an exciting development. Located just outside Grantham, there is easy access to all the amenities you would associate with a major town.

Grantham has several sites of important historical interest, and is surrounded by beautiful countryside. The area boasts a strong local community, excellent schools and good transport links.

Please note that all dates and information provided are accurate to the best of our knowledge at the time of publication. However, timelines for completion or works may change due to factors such as weather conditions, and are therefore subject to change beyond our control.
