

Hepworth Place Development update

Issue 7 | AUTUMN 2025

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Hepworth Place is delivering 433 new homes, including 228 open market, 118 shared ownership and 87 London affordable rent. In addition, the development will provide:

- A new nursery/crèche
- A new retail space /commercial space
- A new Civic Building with a ground floor café/restaurant space opening onto Fellowship Square
- High quality new public realm including landscaped gardens with over 200 new trees and play facilities on Chestnuts Field alongside an all-weather perimeter path.

Follow the Council's Fellowship Square Instagram page ([@fsqe17](#)) to explore all the exciting summer events happening at the nearby Town Hall!

Site activity

- Dury Court & Tuffin Court, situated on the eastern side of the site are now build complete and 91 occupations have now taken place. Also located to the east, Bramble Apartments are now fully complete and due to be handed over in October.
- The Queen Elizabeth II Commemorative Garden and Sensory Garden, located at the rear of the Town Hall has opened as well as the installation of The Arch sculpture by Henry Moore. A new path situated north of the wetlands on Chestnuts field has now completed.
- The works to the new Civic Building on the western side of the site remain ongoing, with the superstructure works complete and windows now fitted.

District Heating

The development has a district heating network where heat is generated from an energy centre and air source heat pumps located in the 2nd block under construction. In the interim, heating will be provided from temporary gas boilers. This will not affect our customers. Vital Energi are the energy supplier as they will take on the billing, operation and maintenance of the energy centre.

Ecology

- Over 200 new trees are being planted across the site.
- A new sustainable urban drainage pond on the western edge of Chestnuts Field has been constructed, creating a new wetland habitat for wildlife.

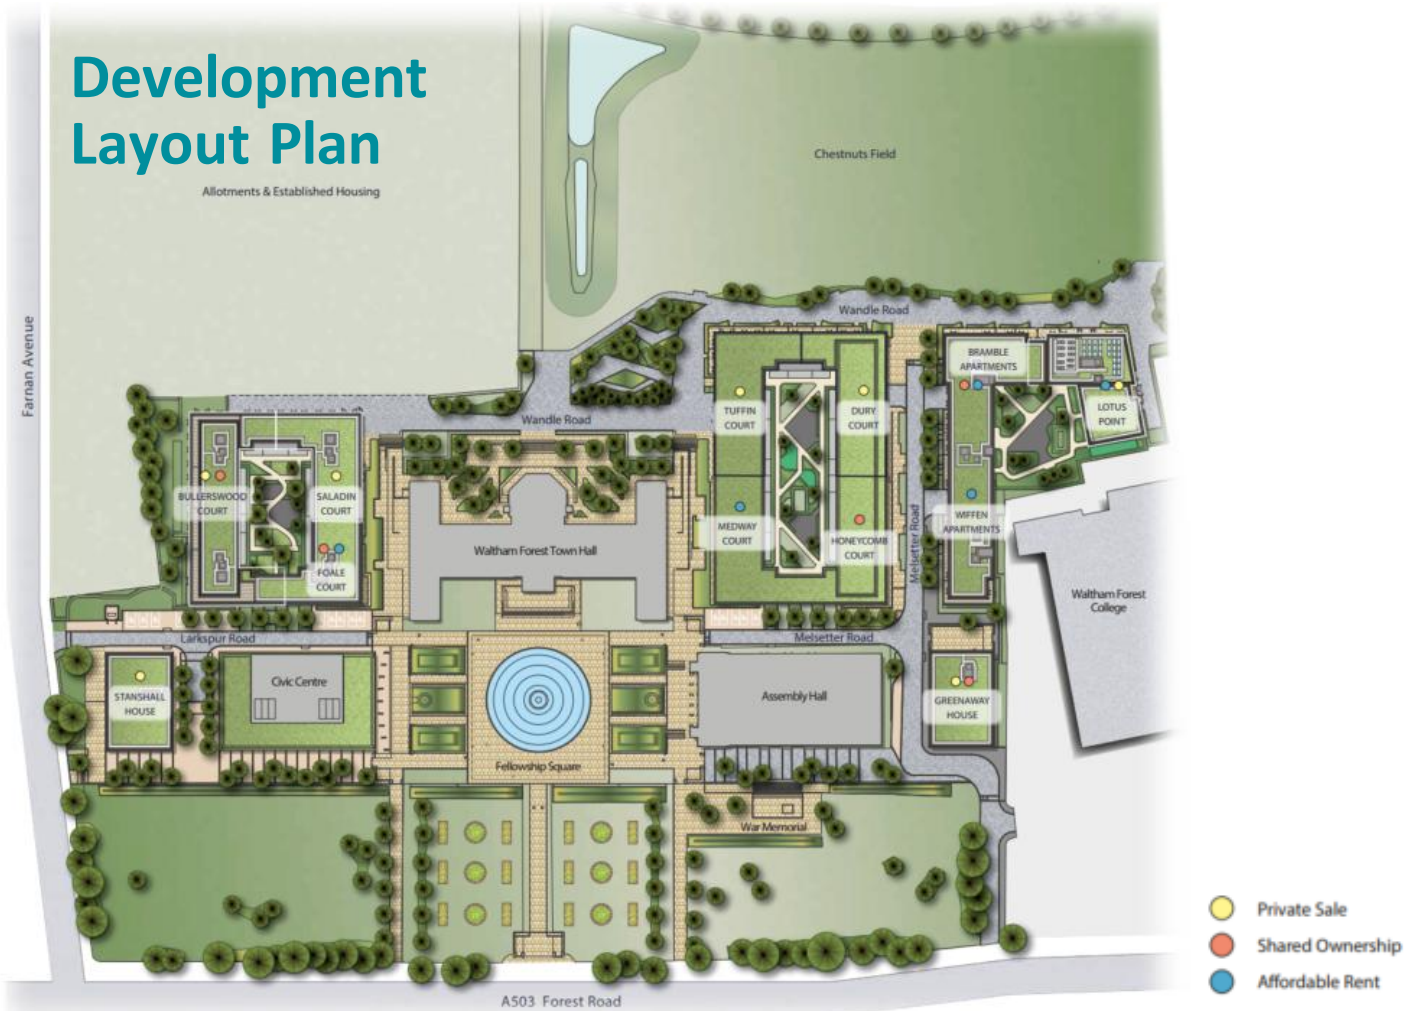

Surrounding Area

Assembly Hall is due to reopen in 2026. The Assembly Hall provides a valuable community space for weddings, activities and cultural events. The building is designed to act as a hub for this thriving new community and has been open since the 1960's previously hosting events from the Rolling Stones, The Royal Philharmonic Orchestra & various other theatre & comedy shows.

Development Layout Plan

Allotments & Established Housing

How will the development benefit the local community?

Hepworth Place will support the local community by contributing over £3,000,000 towards:

- S106 contributions including construction apprentices, work experience and supporting local people into job vacancies on site.
- Civic Fund to support local initiatives and delivering £18m in social value.
- One local initiative the Civic Fund is supporting is Waltham Forests Door to Shop Shopping Service where elderly or disabled residents of Waltham Forest can pay £4 for a return trip to the supermarket from/to their door. Volunteer support is provided to those requiring help in the supermarket with selecting products and pushing trolleys.

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather are subject to change.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
