

North West Quarter

Development update

Issue 1 | [Spring 2024]

Keeping you updated

We're excited to share an update on our development, along with what you can expect from us over the coming months.

Overview

North West Quarter is part of the wider regeneration of the South Kilburn area. North West Quarter has been designed to be the heart of the regeneration providing:

- 328 new homes
- Ground floor commercial offer (proposal for pharmacy, food store, café units)
- New gym facility
- Affordable workspace
- New purpose-built health centre
- New plaza

Two of the four phases have now been built, the third phase will complete this year along with plaza, health centre, gym and commercial space. me.

Public Announcements

- Affordable workspace now open and operated by affordable workspace partnerships
- Are you running or setting up a community project in South Kilburn, and looking for funding? If so please get in touch to apply for our community funding programme at:
YourSouthKilburn@CountrysidePartnerships.com

Site activity

- Construction progressing smoothly, to deliver Clarence House, Regency House and commercial units by the end of 2024.
- All buildings now watertight, balconies installed.
- The scaffolding is currently being removed from the buildings.
- Primary focus now on internal finishes: kitchens, bathrooms, heating.
- Final phase of construction progressing smoothly, demolition has completed and piling works are underway.

Development layout plan
