# NORTHWICK PARKSIDE

## Development Newsletter

Welcome to the sixth edition of the
Northwick Parkside Development Newsletter from Countryside Homes.

## Construction Update

- The new access route between Northwick Park and the hospital is now open and available for public use (see map for details, access highlighted in blue).
- Our first block, C4 Wandell House, achieved practical completion on 30th June, with the first residents now moving into their new homes.
- Scaffolding has now been removed from Block C3, with balconies installed and external finishing works underway.
- Scaffolding is also being removed from sections of Block C1, and the next tower crane is scheduled for removal in September.
- Internal fit out works continue to progress well, with the next block on track for completion in December.

# Introducing Your Wandell House Property Manager

As residents begin moving into Wandell House (C4), we would like to introduce Rebecca Albert, your dedicated Property Manager. Rebecca will be responsible for overseeing the building and its communal areas, carrying out regular monthly inspections, and helping to resolve any issues relating to shared spaces within the block.

If you have any concerns relating to communal areas, Rebecca Albert will be your main point of contact and will work closely with the relevant teams to ensure issues are addressed promptly.

Please continue to contact your usual teams for any lease, tenancy, or service related enquiries.

**Please note:** Rebecca is the dedicated Property Manager for Wandell House (C4) only and is not responsible for other areas of the Northwick Parkside development.
