You can then use the Countryside Homes Personalise brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown in this leaflet is correct at the time of going to press. Countryside Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Countryside Homes interior and may include optional upgrades.
