

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

The development will provide:

- 90 two, three and four bedroom homes.
- 34 open market, 24 shared ownership and 32 affordable rent.
- 2 Attenuation basins.
- Photovoltaic panels.
- Access to Wolvey Wetland Trust from a linked footpath.
- Ecological enhancement features.

Site activity

- Formalisation of frontage to the substation and landscaping of the POS area around the structure.
- Additional Home stepper units to be included as part of the delivery of the site.
- Handovers to our Partners Sigma Capital, Platform Housing and SAGE.

Specific item

The substation is live and has been commissioned.

Timeline – Important Dates

- First completions were in March 2023.
- Seeding and planting around SuDs feature to commence April 2024.
- Opening date of bus stop and transport of Walton Road June 2024.
- S278 construction works completed March 2024.
- Uplift of planning condition from 40% occupation to 50% occupation granted.

Managing agent

As one of the UK’s market leaders in open space management, **Trustgreen** have been appointed to take care of the landscape environment at Kingmakers View and will be responsible for:

- Public open space maintenance
- Litter pick
- Winter maintenance
- Tree works
- Hedgerow management
- Attenuation features maintenance and inspections
- Ponds and wildlife habitats
- Health & Safety and inspections

The anticipated handover date to Trustgreen is December 2024

Ecology

- Hedgehog highway formulated giving access through the site connecting to wildlife habitats.
- Bird and bat boxes to be erected as per Ecological Enhancement Plan.
- Landscapers to begin seeding and planting around SuDs feature.
- Foot path link to existing Wolvey Wildlife Reserve.
- 4,500 sqm of amenity green space to be provided on-site which exceeds the minimum requirement of 1058 sqm.
